Dispute Resolution Policy

We aim to provide efficient, friendly financial solutions that help our clients solve the problems they were facing. Our goal is to ensure our clients are happy and involved as needed throughout the entire loan process from application to final pay out.

Occasionally things may not go according to plan and if this happens, we want and need to know about it so we can resolve the issue in a timely manner.

If you have concern or complaint:

Please share your concern or complaint with us, and ideally how you would like it to be resolved. We will investigate and respond within 5 working days, but usually much sooner.

1. For minor issues, in the first instance please contact us via email on Admin@kingbird.co.nz or call us on (09) 222-2662 or:
2. Via mail to PO Box 33-1263, Takapuna, Auckland 0740: Attention "Disputes".
